Sir:

REQUEST

The Examiner is again requested to return a completely-initialed copy of the PTO-1449 Form bearing the OIPE date-stamped of May 18, 2005. Specifically, the PTO-1449 Form returned with the Office Action of October 3, 2007, does not include the Examiner's initials next to the International Search Report of PCT/GB03/05050, mailed March 16, 2004. The entirety of the PTO-1449 Form has been initialed by the Examiner on October 1, 2007, and the other references indicated as having been specifically considered by initialing next to each of the references. The International Search Report of PCT/GB03/05050, mailed March 16, 2004, however does not include in the left-hand column the Examiner's initials. A completely-initialed copy of the PTO-1449 Form, pursuant to MPEP § 609, is again requested. A similar Request was filed on December 7, 2007.
